

PRICE LIST

LevelM Pro

The new hydraulic levelling system
for motorhomes

Prices valid from 01-08-2026

LEVELM PRO

Retail prices are **excl. VAT, hose kits and other options, and installation costs.**

The recommended retail price (RRP) is **excl. VAT and incl. hose kits and installation costs.**

The installation costs (~750€) are calculated on the basis of approx. 8 working hours.

The prices **do not include transport costs** and vary depending on the delivery conditions and place of delivery.

Product kits include the Multi-Functional-Power-Unit (MFPU), four cylinders with connection brackets, the Touch Control Unit (TCU), and weighing function. **Options like hose kits and underfloor box must be ordered separately.**
