

PRICE LIST

LevelVan

.....

The first hydraulic levelling system
for camper vans

Prices valid from 01-01-2026

LEVELVAN

Retail prices are **excl. VAT, hose kits, and installation costs.**

The recommended retail price (RRP) is **excl. VAT and incl. hose kits, underfloor box, and installation costs.**

The installation costs (~750€) are calculated on the basis of approx. 8 working hours.

The prices **do not include transport costs** and vary depending on the delivery conditions and place of delivery.

Product kits include the Multi-Functional-Power-Unit (MFPU), four cylinders with connection brackets, the Control Unit (CU), and foot plates. **Options like hose kits and MFPU Outdoor must be ordered separately.**
